

Linotype Hell Heidelberg Chromagraph S3400 drum scanner with SilverFast and FireWire

Linotype-Hell Chromagraph S3400

Not New

Drum scanner with LinoColor 6 and three drums (small, middle, large)

No faults in the test software.

The drums are without scratches.

ICC profiles for AGFA, KODAK and FUJI for reflective and transparency are included.

The scanner is technically and optically refurbished.

The scanner is located in our company in Dortmund and can be visited and tested at every time.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MwSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
