

APC NetShelter VX 19" 42 HE Serverschrank

APC NetShelter VX 19" 42 HE Serverschrank

19"-Rack for your entire IT environment (servers, network and storage devices)

NetShelter VX is APC's leading Rack solution. NetShelter VX solve problems faced by IT managers face today, with new features that enable the development of more efficient IT environment.

Due to larger server depths combined with the demand for easier cable routing and power distribution units were deeper Racks needed. At the same time, due to higher power consumption, required cabinets with an optimized ventilation. Different IT requirements have led to the need for diverse Rack sizes and options.
