focus digital, modifiable from the operator
drum 80mm, 150mm, 212mm diameter
Interface network link to workstation
material width up to 2,1mm
measurements (L x H x W) 1650 x 1350 x 870 mm (65 x 53,2 x 34,3")
net weight approx. 700 kg

If requested the machine can be prepared for the worldwide transport by the export company deufol
www.deufol.de.

Heidelberg S3900 (Linotype-Hell) Drum Scanner provides the highest quality scans up to 24,000 dpi

The extremely high scanner resolution allows loose color separations up to 29x43", at line screens to 600 lpi.

- * Large scanning format of 20" x 25.6"
- * Enlargements beyond 3000%
- * High productivity output of TIFF scans in to Mac or PC format
- * Fully-automatic, high-speed scanning in batch mode
- * Flexible integration into any system environment
- * Intelligent color correction and automatic image analysis
- * Expanded range of color and sharpness functions
- * Color corrections using color hue selection
- * Scanning in colorimetric data formats for device-independent color or multimedia

More Details:

The Machine Comes if you want with Chroma Mount P321 Station and 7 Scanning Drums :- 2 Large 2 Medium and 3 Small Running 13.4 Software on PC Can be seen working and is ready to ship anywhere in the World

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
