3Com OfficeConnect Internet Firewall DMZ

Not-New

Warranty: till 2011

Inclusive DSL Router

Affordable Protection with Controlled Access

This preconfigured firewall blocks unauthorized network access and prevents Denial-of-Service hacker attacks for up to 100 users. A DMZ port lets customers access your site without exposing your network to attack. For comprehensive security, you can also control and monitor Internet access by your LAN users.

Supports up to 100 users

DMZ port supports secure external access

Prevents denial-of-service hacker attacks such as Ping of Death, SYN Flood, LAND Attack, IP Spoofing, Teardrop, and Bonk

Applications can be blocked or enabled only from trusted sites

Single IP address for all users reduces costs and increases security

Preconfigured for easy installation

Easily customizable using a Web interface

Web-based management using standard browser

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
