

ZyXEL Zywall P1

ZyXEL Zywall P1

Not-New

Personal Internet Security Appliance

Perfect Personal Firewall/VPN Security Solution

- A USB powered Ethernet network interface internet security appliance with firewall safety and secure communication link
- Establishes an IPSec VPN tunnel to your corporate network
- Advanced SPI Firewall protects your PC from Internet threats, whenever you connect

Benefits

Proactive End-point Security

Stay in a secure and trusted LAN, and you still need personal and private protection. The easy-to-pack, compact network device is equipped with advanced safety and security features connect you to the LAN or Internet through any broadband connection. With a powerful SPI Firewall and Network Outbreak Prevention, it behaves as one of the frontline protection for individual PC from Internet attacks. You can also optionally block Java, Active X and cookies.

Portal, Secure, Personal VPN Appliance

With the light-weight, compact device, the ZyWALL P1 also provides VPN connection for mobiles users to create a private secure hotspot for yourself whenever you go. No extra sophisticated software installation and configuration effort needed. Once you're connected over VPN, it's just like being attached to the local network.

Ease of Deployment

Comparing with software-based applications, the ZyWALL P1 is a truly plug-and-play, hardware-based personal security device. It avoids software installation complexity by benefiting more from ease-of-trouble shooting and management effort.

A familiar web browser interface and setup wizard makes installation and configuration easy.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
