

Linotype- Hell/Heidelberg Chromagraph S3500 S3700 S3900 FireWire OSX Windows XP Conversion Kit

Linotype-Hell/Heidelberg Chromagraph S3500 S3700 S3900 FireWire OSX Windows XP Conversion Kit

This kit can convert any Chromagraph S3500 or S7000 to a Chromagraph S3300 making it fully compatible with Silverfast for Chromagraph S3300.

It can also convert a Chromagraph S3900 to a S3400 and the converted S3900 will then be able to run Silverfast.

The converted Chromagraph S3500, S3700 or S3900 will have a FireWire interface afterwards.

This kit will solely be installed by Brakensiek Systemhaus GmbH & Co. KG on-site and will also be individually configured. There is no standard price. When inquiring please note the serial and model number of your Chromagraph.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
