Eizo S1931SH

Advanced technology and compact design mark it as a high-end product. The 19-inch screen with S-PVA LCD copes with his fast-moving motion picture functions very well. Fast video clips and animations are displayed without any annoying delay. At the same time the S1931 shines with excellent image reproduction, no matter what angle you look at him. It provides a consistent and high contrast of colors and shades of gray, right into the corners and from oblique angles. Professionals who are uncompromising picture quality and also put on speed, especially addressed here.

- Contrast 1000:1, Brightness 280 cd / qm, 178 ° viewing angle
 - 8 ms response time gray-gray with Overdrive Function
 - Automatic brightness control
 - Integrated speaker
 - SlimEdge design with extremely narrow bezels
 - DVI-D and D-Sub inputs for digital and analogue connections
- with ArcSwing, column or pedestal EasyUp

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
