Quato Intelli Proof 213 excellence

new**Wide Gamut Proof monitor with automatic Hardwarekalibration**

The Intelli Proof 213 excellence is based on the technical base of the Intelli Proof 230 excellence and is tuned optimally like this on the needs of preliminary stage pros, photographers and designers. The big colour space covers nearly the whole spectrum of the current output systems. Luminanz, white dot and gamma correction with 36 bit accuracy adjusts the integrated, automatic Hardwarekalibrationsfunktion directly in the monitor. The iColor display calibrationssoftware provides information about the accuracy of the calibration by the integrated UGRA-DACT. The almost entire reproduction of the classical printing systems permits expressive Softproofs with excellent reproduction precision.

Technical data:

- Wide Color Gamut TFT with WCGCCFL technology
- direct control of 3x 12bit LUT
- 48bit (3x16bit) calibrations precision
- 30 bit colour output
- max. 250 CDs / square metres Luminanz, contrast 550:1
- iColor display calibrationssoftware and light protection screen including UGRA Display analysis and Certification tool in the software integrates
- special, highly exact 4 - channel Colorimeter as an option available

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
