

ZyXEL ZyAIR G-110

ZyXEL ZyAIR G-110

---Non-new---rarity---

Product description of the manufacturer:

The new client adaptors of ZyXEL are compatible with the standard IEEE802.11g and allow transference rates from up to 54 MBit / p. - five spots faster than the topical Wireless standard IEEE802.11b. With ZyXEL's 54 MBit /s Wireless client adaptors for notebooks or desktop computers you can access Internet resources and e-mails and dispatch big files, MP3 or videos about the quick and sure High-Speed-Wireless-connection. The client adaptors of ZyXEL allows an access to the Internet from everywhere, they offer maximum freedom of movement, at home, as well as in the office, as well as in Hot advertisements like airports, cafés or hotels. Compatibly to the standards 802.11b and 802.11 g the client adaptors of ZyXEL are able without interoperating wirelessly physical restrictions with these networks. In addition to standard 64 / 128-bit WEP encoding the Wireless-network adaptors are equipped by ZyXEL with the most modern, improved security mechanisms of the authentication after 802.1x and the Wi Fi-protected access (WPA). These improved safety measures allow only to authorised users the access to the network what protects your data during the Wireless transference against wire-tappings. With the user-friendly installation-Wizard the equipment becomes the child's play. The Plug-and-Play-Funktion allows the access without cable to the network practically in no time.

In general:

Device type: Network map

Form factor: Plug-in module

Interface type (coach type): CardBus

Network:

Connection technology: Wirelessly

Data link Protocol: IEEE 802.11b, IEEE 802.11 g

Spread Spectrum method: OFDM

Data transfer rate: 54 Mbps

Management coding format: DBPSK, CCK, QPSK, OFDM

Frequency band: 2.4 GHz

Max range in closed rooms: 80 m

Max range (outside): 300 m

Product certifications: IEEE 802.11b, IEEE 802.11 g, IEEE 802.1x

Aerial:

Aerial: Externally removable

Enlargement / connectivity:

Interfaces: 1 x network - Radio-Ethernet

Compatible slots: 1 x CardBus

Miscellaneous:

Encryption Algorithm: 128 bits WEP, 64 bits WEP

Product certifications: CE, WHQL, FCC

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
