HP C6568B Coated Paper - 98 g / m 54 "

new

- The specially designed and optimized surface coating by HP Coated Paper provides precise color reproduction and prevent the colors running into each other - for crisp, sharp lines. Compatible with dye-based inks and UV inks.
- Printing on HP Coated paper is instant dry - for maximum productivity and minimum wait times. The handling of the prints is very simple: Professional users can roll urgent documents immediately after the output or stack.
- HP Coated Paper is available in various roll lengths - including 91.4 m - for reliable, absolutely seamless unattended printing.
- Light resistance: 3 months indoors - ideal for posters and signs, which are changed regularly.
- Low cost per print

A low-cost paper for everyday high-resolution graphics with brilliant colors. The special white paper guarantees top precision for color and rich blacks - for the finest details with line drawings.
