

AppleCare Premium Service & Support - Xserve

AppleCare Premium Service and Support - Xserve

Get up to three years of expert support via phone and e-mail and the option to keep on-site hardware repairs to your Xserve system at all times ready for use. The AppleCare Premium Service and Support Plan covers both Xserve hardware and Mac OS X Server software. Should a problem occur, the experts from the technical support team of Apple around the clock for them and support them and determine whether it is a hardware error or a configuration problem with Mac OS X Server. In both cases, the support staff will help Apple to take your system as quickly as possible to resume operation. And because of the support both hardware and software includes, you need to call only one AppleCare number.
