

AppleCare Service Part Kit f Xserve RAID

To minimize downtime, Apple offers AppleCareService Parts for Xserve RAID which includes a RAID controller module, a cooling module, a power supply, a cable, and a 400GB Apple Drive Module. Xserve RAID is designed for quick and easy swapping of crucial parts, no special training or certification is required. AppleCare Service Parts Kits let you keep key modules handy to address the most common hardware failures. When you combine AppleCare Service Parts Kits with an AppleCare Premium Service and Support Plan, Apple experts can often help you troubleshoot and fix your system right over the phone, day or night, so you won't have to wait for a technician. The AppleCare Premium Service and Support Plan is sold separately.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
