Plustek PL1200 - Document Scanner

Document scanner for the workplace or department
The Plustek PL1200 is the ideal workstation and departmental scanner for your business. With speeds of up to 12 page per minute all the templates are stored as a file quickly and effectively. The software easily archived DiCapture various sheet materials such as business letters, invoices, forms or reports.

The capacity of the automatic feeder of 80 sheet, the scanner can handle paper weights from 50 g to 120 g easily. The move is designed to be your own templates with widths are drawn beyond A4 size.

Quality and efficiency in your workplace!

With the PL1200 ADF scanner is Plustek continues his winning streak. The experience and know-how of 20 years, we have combined in this device, thus expanding our range of document scanners.
versatile

The PL1200 is ADF and flatbed scanner in one device. This advantage he can play especially in the modern office. Often one can not separate the individual sheets, and it is needed, the flatbed scanner. When you flip the lid PL1200 just go up, and you can use the flatbed scanner function!

long life

The extremely robust ADF module provides for an extremely long service life. In internal tests showed even after 300,000 scans do not have any component wear.

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
