SCANNING X-RITE ATS40 SPECTRAL PHOTO METRE SYSTEM

SCANNING X-RITE ATS40 SPECTRAL PHOTO METRE

- Spectral scan measuring head DRS with 45 °/0 ° measuring geometry (German Institute for Standardization 5033)
- Spectral measurement in 10nm-intervals from 400-700nm
- Auto Tracking function to automatic discovering and recognising of pressure controlling stripe on the curve
- automatic calibration (Kalibrierstandards built-in)
- Curve fixation with Vakuumansaugung
- the smallest measuring field size 3.8 mm * 5 mm (measuring surface 3 mm * 3.5 mm)
- maximum scan width 102 cm
- Measurement from up to 8 measuring stripes within 38 mm of the Bogenkante
- maximum paper thickness 1.5 mm
- Scan speed 150 mm / see with measuring field width 4.7 mm

SOFTWARE X-RITE ATS

- Windows 98 / use NT with an easy service (routine company: Measuring release about key in the device)
- usable for several print orders / machines at the same time
- Data bank with Pan tone colours, production of own colour libraries
- extensive on-line help
- freely determinable pressure controlling stripes and measuring missions
- graphic representation from densitometrischen and colour-metrical measuring data
- Trend representations after zonal screws, to to curve curve trend
- freely determinable tolerance borders (colour-metrical / densitometrisch)
- Production of reports (Crystal Report's format)
- Import and export of measuring data and measuring missions
- bidirectional serial communication between spectral photo metre and PC

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
