

Folder ProzessStandard Offsetdruck PSO

In a work-sharing print production, the absolute domination of the individual process steps for all parties is a must. Especially the new digital methods throw this many problems. This publication is the successor of the Handbook of Standardization in Offset Printing the indispensable standard for results-oriented process management. The newly built plant represents the latest technology and standards. The detailed presentation of fundamentals as well as numerous operational procedures lead to security in the value difference in reproduction, printing plate making and printing - with or without intermediate support film.

BRAKENSIEK®
SYSTEMHAUS

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
