

# Telenot LCD control panel BT 400

## **Telenot LCD control panel BT 400**

Not-new

VdS class C

The BT 400 is an attractive small operating panel for the connection to the complex 200H/400H EMZ and compact 80. It is designed for wall mounting and connected to the central unit via the com2BUS. The control panel is equipped with a 2-line illuminated LCD display and 8 display LEDs for group and status displays as well as a cover-protected membrane keypad with easy-to-understand pictograms and good tactility. Its functions can be extended by attaching the AT 400 LED display panel.

- Removable keyboard cover
- Messages and locations of plain text representation
- Special functions such as the locking of detector groups directly via the keys or menu can be selected.
- 4 LEDs for the overall display of the operating conditions
- 4 bicolored LED displays with free function assignment
- Built-in buzzer
- Easy installation due to 4-wire bus connection
- Range of the bus is up to 1000 m
- Built-in plug connector for connecting up to 2 AT 400 LED display panels
- Environmental class compliant with VdS 2110 class II
- Protection type IP 30
- Operating temperature 0 °C to +50 °C
- Dimensions (W x H x D) 114 x 190 x 35 mm
- RAL 9016 traffic white
- Power consumption approx. 7 mA
- Power consumption per LED approx. 7 mA
- Supply voltage 12 V DC via com2BUS

Please only contact us via our registration form and only if you are a business person yourself. Every offer is subject to prior sale and includes your acceptance to our terms & conditions [Terms and conditions \(AGB\)](#). All logos and trademarks on this site are the property of their respective owners.

You will always receive an invoice including tax, which can be paid via wire transfer, in advance or cash. If you register on paypal, you may also pay by charging your paypal account with your credit card. If you are an EU member and you have a validated tax number which can be validated here: [VIES VAT number validation / MwSt.-Informationsaustauschsystem MIAS\) Validierung der MWSt.-Nummer](#) then you pay tax-free. If you are from outside the EU, you can only pay tax-free, if the export is done with the transport company, called 'Schenker'. If you are not using 'Schenker', we cannot guarantee that we will get the export confirmation in time. In that case, you have to pay tax and you get it.
