Purpose

The G-ogo © sport / head combines the proven technology and performance of mbs © system with a completely new sporty design. The design of the device was especially the way mobile applications and use into account. The generator is designed with a "soft" external form to have worn on the body no disturbing corners and edges. The controller with the function buttons is completely closed by a rotating lid. Thus, the controls only and also an unintentional or accidental adjustment during therapy is ruled out. Microprocessor-controlled programs ensure a safe and simple treatment.

With this new development by Dr. Goettfert system can be athletes, managers, and anyone who has little time before and after maximum benefits without side effects condition. For far eren medical indications can be treated in a regulation of their physician / therapist: Of course, the healthier cells can be stimulated and activated by magnetic biostimulation. The blood is then enriched with oxygen and nutrients are transported c hert to where need or deficiency. The cell and energy metabolism can be increased. The microcirculation is to be improved.
